Governing Policies

Disciplinary Action Agreement

At Creative Child Learning Center we agree discipline should be an essential element of education at home as well as school. Self-discipline and character develop as a result of loving guidance and mutual respect. At times it becomes necessary to discipline a child in order to discourage behavior which is deemed destructive or unacceptable. We adhere to the regulations outlined in the State of Florida H.R.S. Child Day Care Standards Booklet which states:

- Discipline is not to be severe, humiliating or frightening.
- Discipline shall not be associated with food or toileting.
- Spanking or any form of physical punishment is prohibited.

However, the parents are expected to discipline the child when unbecoming behavior persists. Children should be taught by parents to behave in a proper, socially acceptable manner.

Good behavior is rewarded by immediate commendation or granting of special privileges. Unacceptable behavior is only handled by redirecting the child to an alternate activity and/or employing Time-Out, which consists of a reasonable time period (one minute per age), for which the child will not be permitted to participate in the presently ongoing school activity. Whenever we encounter persistently poor behavior, a parent-teacher conference is scheduled in order to unite insights and provide the best possible resolution. For the safety and welfare of all children, Creative Child Learning Center reserves the right to suspend and/or remove a child from the facility.
